

# Crumplebury

For the curious

# Welcome to Crumplebury

Before taking over our family estate in 2012, I worked in financial services and attended my fair share of fairly humdrum corporate events. These experiences have inspired us to provide something a little different for businesses choosing to congregate at Crumplebury.

When it comes to getting away with colleagues or customers, we're confident that our private estate offers a refreshing break from the corporate norm. Surrounded by 1,500 acres of woodland, green fields and the happy animals on our home farm, we use our indoor and outdoor spaces to create a working environment with a difference.

In my experience, good food and drink is a vital part of any event. Led by our Michelin-starred consultant chef, the kitchen team put together seasonal menus that showcase produce from our organic farm and the estate orchards and fields. Venue fees for all corporate events at Crumplebury include light refreshments as well as wifi, parking, stationery, AV equipment and a member of staff on hand to help with any other requests.

We delight in the extraordinary. We're perfectly set up to accommodate product launches, filming, award ceremonies, company updates and AGMs. If you like the sound of our approach and would like to host something a little different, please don't hesitate to get in touch and we'll see how we can help.

I look forward to meeting you.

Joe Evans, Founder & Managing Director

Swap strip lights and water coolers  
for green grass and babbling  
brooks and watch  
productivity  
soar.

Tucked away from the  
outside world,  
yet perfectly accessible  
from major road  
networks and airports,  
Crumplebury is  
an ideal spot  
for clear thinking and  
fresh ideas.

We have spaces available to hire individually or together as a full site.

## Food and Drink

We will create a bespoke proposal to fit  
with your itinerary.

## Bedrooms

We can sleep up to 22 delegates in spoiling style. The Oakley suite boasts a giant four poster bed. In our 10 Farm and Coppice bedrooms, both twin and super-king configurations are available.

## The Crumplebury Carbon Canopy: Your Carbon Neutral Event

Sustainability is at the heart of how we do business at Crumplebury. Through our focus on ingredient seasonality, ethically-reared organic meat and renewable energy, we are proud to curate spoiling celebrations and events without compromising on our environmental responsibilities.

One aspect that is beyond our control is the environmental impact of guests travelling by car, plane and helicopter to visit us. “The Crumplebury Canopy” is a voluntary scheme that allows customers to offset the carbon emissions generated by their guests travelling to and from Crumplebury by planting trees in our forest.

Tread lightly on the world...

### **Health and wellbeing**

Whilst we are all about spoiling you with marvellous food and drink, a stay at Crumplebury need not be unhealthy. We would be delighted to arrange guided walks, runs and yoga sessions out and about on the estate.

### **Transport**

Nestled in the bucolic Herefordshire countryside, Crumplebury is only 25 minutes by car from junction 7 of the M5. Worcester Shrub Hill train station with direct and fast links to London, Oxford and Reading on Great Western Railways is 20 minutes away. Transfers from Birmingham International Airport are one hour on a good run. We will be pleased to arrange transport for your team to Crumplebury, either from your office or any transport hub. We have our own helipad and can arrange direct helicopter transfers from anywhere in the UK. Please contact us for details and detailed quotes.

### **Equipment on site**

We have our own AV equipment, large screen monitors and staging systems. Please get in touch for details and if you need any equipment that we don't have, we'll be only too happy to organise it for you.

### **Activities and curiosities:**

All guests of Crumplebury have access to beautiful country walks and farm tours included as part of the venue charges. Additionally, we would be delighted to curate bespoke experiences for you and your team.

### **Ideas include:**

- Estate tour on horseback
- Guided estate walk, meeting some of our farm animals and learning about how we manage Whitbourne
- Guided tour of some of the estate woodland featuring some of England's finest oak trees with the estate forester
- Clay pigeon shooting, hosted by the estate gamekeeper
- Tour of the local Chase Distillery
- Orienteering / treasure hunt taking in the estate
- Seasonal fruit picking and jam making masterclass
- Butchery and sausage making with our chefs followed by a barbecue
- Tree planting projects
